

Salt Lake City

Utah | February 16, 2019

September 14, 2018

Dear Industry Colleague:

Please consider this a formal letter of request to exhibit at NCVH Salt Lake City: “Evolving Paradigms in Cardiovascular Care and Peripheral Vascular Disease” scheduled Saturday, February 16, 2019 at The Grand America Hotel.

This meeting will focus on new technologies and therapies for diagnosing and treating peripheral artery disease and limb salvage, new paradigms in cardiovascular disease, limb preservation and wound care updates.

Expected attendance for this meeting is one hundred (100) to one hundred fifty (150) medical professionals. Between six (6) and seven and three quarters (7.75) accreditation hours will be available. This document includes the meeting description, target audience, objectives, assessment and attendance policies.

This meeting will be conducted in accordance with ACCME guidelines for commercial support. In addition, we take great pride in following all PhRMA and AdvaMed guidelines to ensure a balanced and unbiased educational agenda.

Please note the following guidelines:

- Exhibits will be placed in an exhibit or meeting space separate from the CME program meeting room.
- The opportunity to exhibit is open to commercial supporters (i.e. companies) in addition to the company to whom this letter is addressed.
- The exhibit fee of \$1,500 to \$7,500 is for exhibit and/or marketing opportunities only and does not include meal functions.

Your consideration and support of this valuable medical education event is greatly appreciated. Please do not hesitate to contact us if you have questions or if we can be of assistance.

Sincerely,

Sohail Khan, MD
Chairman, NCVH Salt Lake City

Evolving Paradigms in Cardiovascular Care and Peripheral Vascular Disease (PVD)

NCVH Salt Lake City | January 19, 2019 | Salt Lake City, UT

Chairmen: Sohail Khan, MD | Craig M. Walker, MD

www.ncvh.org/saltlakecity

Target Audience

Family Physicians, General Practice Physicians, Primary Care Providers, Internists, Cardiologists, Interventional Cardiologists, Vascular Medicine Specialists, Podiatrists, Cath Lab Technologists, Residents/Fellows, Physician Assistants, Advanced Practice Nurses, Nurses, Allied Health Professionals and Healthcare Administrators

Statement of Need/Program Overview

Evolving Paradigms in Cardiovascular Care and Peripheral Vascular Disease will focus on new technologies and therapies for diagnosing and treating peripheral artery disease and limb salvage, new paradigms in cardiovascular disease, limb preservation and wound care updates.

Learning Objectives

After completing this activity, the participant should be able to:

- Summarize and implement the latest advances in technology, testing and imaging for the diagnosis and management of cardiovascular disease.
- Discuss and apply new interventional tools and therapeutic options for the treatment of valvular heart disease, coronary artery disease, heart failure and peripheral artery disease.
- Review and evaluate interventional devices and appropriate uses.
- Recognize and articulate the importance of peripheral artery disease diagnosis and its relationship to cardiovascular disease.

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Academy for Continued Healthcare Learning (ACHL) and New Cardiovascular Horizon Foundation (NCVH). ACHL is accredited by the ACCME to provide continuing medical education for physicians.
